25X1 4. [] Mrs. Mary McLaughlin, of the Senate Foreign Relations Committee staff, called to say that one of the Committee members would like, as promptly as possible, the transcript of the Director's testimony before the Disarmament Subcommittee of Senate Foreign Relations on 3 February 1967. After checking with the Director, a copy was delivered to Mr. Pat Holt, Acting Chief Clerk of the Committee. Both Mr. Holt and Mrs. McLaughlin were evasive as to by whom and for what purpose the transcript was desired.

25X1 5. [] In response to his call to [] for Senator Russell, delivered a copy of the Director's briefing notes of 16 September before the Defense Subcommittee of Senate Appropriations to Mr. William Woodruff. I reviewed the notes with Mr. Woodruff, identifying those portions which he felt were of particular interest to the Senator this morning. Mr. Woodruff advised that the Senator had indicated that there would be no attribution to the Director on any statements he might make during this morning's proceedings. Mr. Woodruff also noted in passing that the quick delivery of the Director's notes for Senator Russell's use was very helpful. The Senator had questioned earlier this morning whether a transcript shouldn't have been available to him in the office.

25X1 6. [] Met with Mr. Philip Kelleher, House Armed Services Committee staff, and provided a suggested reply and certain basic background items for his use in responding to Representative Rogers concerning the constituent query of [] relating to charges against the Central Intelligence Agency by [] of New Orleans and Congressional control of the activities of the Agency. STATINTL Mr. Kelleher was most appreciative.

25X1 7. [] Received a call from Patricia Price, in the office of Representative Barber Conable (R., N. Y.) inquiring on behalf of a constituent whether polygraph testing was required in Agency employment processing and whether an individual who refused to take a polygraph could be employed. After brief discussion with Miss Price I advised her that I would stop by during the day tomorrow and provide a copy of our employment form letter outlining the Agency employment processing.
